

# Thomas Connect Pricing Guide

## Connection Fee

Applies to both manufacturer and distributor.

Per Connection	<b>\$600 / yr</b>	First connection is always free.
----------------	-------------------	----------------------------------

## Navigator Fee

Applies only if the customer wishes to use Navigator as their front-end solution.

Web Catalog Publishing <sup>1</sup>	<b>\$850 / yr</b>	Base module for Navigator for front-end.
Initial Setup	<b>\$1,500</b>	Includes setup of initial connection, category structure, display settings, and design wrapper.

## Data Creation

If the manufacturer requires data creation services, pricing is **By Quote**. Please see a Solutions Engineer for quoting.

## Example

- A manufacturer wishes to share with 10 new distributors.
- The manufacturer does not want to use Navigator as their front-end.
- New data production is required for the manufacturer.
- 7 of the 10 distributors wish to use Navigator as their front-end solution.
